

Council Priorities

Planning for the future

Caring for Communities

Working to ensure that we have the right health care and housing at point of need to support each and every person.

Aberdeenshire
Health & Social Care
Partnership

Continued support for health and social care strategic plan

Our Health and Social Care plan, which focusses on person-centred care, sets out how we will deliver care where it is needed.

Enabling the provision of appropriate housing

Making sure Aberdeenshire has a good supply of affordable housing.

Partnership working to tackle the causal factors of deprivation

Tackling poverty by working with experts to work out what is really causing the poverty in the first place.

Support delivery of the Community Planning Outcomes Improvement Plans

Tackling the identified issues at a local level (alcohol, child poverty and areas of inequality).
